CAREER OBJECTIVE

To leverage my strong analytical and problem-solving skills in transforming data into actionable insights that support strategic decision-making. By identifying trends, optimizing processes, and offering data-driven recommendations, I aim to contribute to the organization's growth, efficiency, and long-term success.

EXPERIENCE

DATA ANALYST (INTERN)

Aug 2024 – Sep
2024

RIKI GLOBAL TRADING PRIVATE LIMITED

- Analyze and interpret complex data sets to identify trends, patterns, and insights that drive business decisions, utilizing data modeling techniques and statistical analysis.
- Collaborate with cross-functional teams to gather requirements, design solutions, and translate business needs into actionable data-driven strategies.
- Create and maintain reports and dashboards using data visualization tools, ensuring accurate and timely delivery of insights to stakeholders for improved decision-making.

UNIS TECHNOFT PVT LTD

Oct 2024 – Feb
2025

DATA SCIENCE (INTERNSHIP)

- Analyze and interpret data from various sources to generate actionable insights, supporting data-driven decision-making and business strategies.
- Assist in cleaning and preprocessing data, ensuring datasets are accurate, consistent, and ready for analysis and model development.
- Collaborate with cross-functional teams to gather and understand business requirements, translating them into technical specifications for optimizing processes with data science techniques.

ACHIEVEMENT

2022-24

- Achieved success during internship for Insurance products.
