Career Objective

A passionate Computer Science graduate aiming to build a successful career in software development. Skilled in Python, HTML, JavaScript, and MERN stack with a strong interest in full-stack and AI-integrated applications.

Education

B.Tech in Computer Science and Engineering

Swarnandhra Institute of Engineering and Technology | 2020 – 2024 | Percentage: 74%

Intermediate (MPC)

Aditya Junior College | 2018 – 2020 | Percentage: 92%

SSC

SYNM High School | 2017 – 2018 | Percentage: 98%

Technical Skills

- Programming Languages: Python, C
- Web Technologies: HTML5, CSS3, JavaScript
- Frameworks/Libraries: MERN Stack (MongoDB, Express.js, React.js, Node.js)
- Tools: Git, VS Code, MS Word, Google Sheets
- Database: SQL
- APIs: REST API Integration
- Others: Telegram Bot API, Responsive Design

Projects

Telegram Fitness Nutrition Tracker Bot

- Technologies: Python, Google Sheets API, OCR (Tesseract), TensorFlow (MobileNetV2), Telegram Bot API
- Developed a Telegram bot that tracks food intake using text and image input.
- Parsed meals using OCR and deep learning to extract food names and quantities.
- Logged user data to Google Sheets with meal type and timestamps.

Kerala Tourism Website

- Technologies: HTML, CSS, JavaScript
- Built a responsive website showcasing the top 10 tourist destinations in Kerala.
- Implemented interactive UI with animations and hover effects for improved UX.

Student Portfolio Website

- Technologies: HTML, CSS, JavaScript
- Designed and developed a personal portfolio website to display academic and project achievements.
- Ensured responsive design compatible with multiple devices and screen sizes.

Internship Experience

Java Full Stack Intern

Kodnest Technologies

- Gained hands-on experience in Java, Spring Boot, MySQL, and frontend integration.
- Built mini-projects applying MVC architecture and RESTful APIs.

MERN Stack Developer Intern

Firstman Academy

- Developed full-stack applications using MongoDB, Express.js, React.js, and Node.js.
- Worked on responsive web design and REST API integration.

Certifications

- MERN Stack Development – Firstman Academy
- Java Full Stack Development – Kodnest
- Responsive Web Design – FreeCodeCamp

Soft Skills

- Excellent Communication
- Problem-Solving Ability
- Quick Learner
- Team Collaboration
- Time Management

Languages

- English (Fluent)
- Telugu (Native)
