

Rasala sairam

| +91 8374312258 |
rasalasairam10699@gmail.com

Objective:

Seeking an entry-level position to begin my career in a high-level professional environment.

Education:

BTech | 2018-2022 | Mallareddy Institute of engineering and Technology

- Electronics and communications Engineering
- CGPA: **6.38**
- Dhulapally
- Hyderabad.

Intermediate | 2016-2018 | Narayana Junior College

- MPC.
- Percentage: **85**
- Hyderabad

SSC | 2008-2016 | Montessori high School

- CGPA: **7.7**
- Hyderabad

Skills:

HIGH LEVEL LANGUAGES :

- C
- Python basics
- C++

Soft skills:

- Good communication skills
- Time management
- Positive attitude
- Quick learner
- Team player

Academic project:

Mini project:

Title: PASSWORD BASED DOOR LOCKED SYSTEM

Description: **The system includes an electronic control assembly that controls the output load via a numerical password** . Once the correct code or password has been entered, the door opens and the person is allowed to enter. If the password is incorrect, the door will be locked, denying access to the person.

Major project:

Title: HAND MOTION CONTROLLED ROBOTIC VEHICLE

Description: This system is very beneficial for disabled people as it **allows movement of a robotic vehicle on the basis of hand movements**. The person just has to move his hand in order to move the vehicle in forward, backward, left or right direction. So the user does not have to press any buttons.

Known Languages

- English, Telugu, Hindi .
