PROJECTS

Major Project- Comparison of motion detection of various machine learning models

Aug2024-May2025

- Compares different ML models for motion detection such as CNN,KNN and LSTM
- Using real-time video and image datasets compared the
- rains and tests all models on the same data
- Compares accuracy, precision, recall, and speed.

Mini Project: Developing Face recognition auto attendance APP

- Detects and identifies faces in images of students from the
- Stores and manages face data securely for future recognition. given data

Stock Price Predictor

- Model Building: Use algorithms like LSTM (Long Short-Term Memory) or Linear Regression for prediction
- Use Case: Helps investors and traders make data-driven decisions.
- Data Collection: Fetch past stock prices using APIs

INTERSHIPS

Web Designer and Wix Developer Jan 2024 - May 2024,

Web Page Development and Maintenance

- Deployed websites to promote the founder's initiatives, attracting prospective investors and students, and enhancing online visibility.
 - Built websites using the Wix platform, implemented (SEO) techniques, and integrated Google Analytics with high-speed loading for an improved user experience.

Python Mentor Aug 2023-Sept 2023 CITK,

Workshop Instructor - For Python libraries

- Conducted a comprehensive 10 days workshop for 10 students, covering Python concepts, including basic syntax, control structures, functions, and advanced topics like patterns.
- Achieved a high participant satisfaction rating of 4.7 out of 5.

BHEL-Technical Trainee June 2024-July 2024 BHEL,hyderabad

- attended 15 days internship i n BHEL as a PLC programmer
- Support senior engineers in testing, quality checks, and production process improvements.

SUMMARY

As a fresher I am dedicated to continuous learning and growth. I am eager to collaborate with talented teams, tackle challenges, and stay updated with industry trends to deliver high-quality, responsive web applications

SKILLS

programming C,C++,python
Libraries Numpy,pandas,matplotlib
Tools. ,canva,vscode,spyder
Other Skills Digital Marketing,Editor

EDUCATION

Central Institute Of Technology

Kokrajhar,Assam 2021-2025 May

B-Tech

Electronics and Communication Engineer

CGPA: 7.5/10

T.W.R.J.C Parkal **Telangana**

Intermediate-MPC 2019-2021

GPA: 996 /1000

T.W.A.H.S Kaleshwaram **Telangana**

school GPA: 9.3 /10 2019
