PROFESSIONAL SUMMARY

Detail-oriented and motivated Computer Science Engineering graduate with a strong foundation in data science, web development, and IoT systems. Skilled in statistical analysis, data preprocessing, and machine learning with hands-on experience in Python, C/C++, and WordPress. Seeking to leverage technical and soft skills to contribute effectively as part of a professional team in a data-driven or development-focused role.

TECHNICAL SKILLS

- Languages: Python, C/C++, HTML, CSS, JavaScript, SQL
- Tools & Technologies: WordPress, WooCommerce, DevOps Automation, Bitnami, Arduino
- Data Science: Data Analysis, Data Mining, Data Visualization, Machine Learning, Preprocessing, Statistical Techniques
- Platforms: Arduino IDE, WordPress CMS, Bitnami Hosting
- Other: Responsive Web Design, Plugin Integration

PROJECT EXPERIENCE

Food Ordering App – Python

- Designed an application with user/admin authentication; enabled CRUD operations on inventory.
- Implemented profile management, order tracking, and history view.
- Gained experience in DevOps automation for backend integration.

Restaurant Management Website – WordPress (Bitnami)

- Built a full-stack restaurant site with domain selection, hosting setup, and CMS configuration.
- Installed WooCommerce and optimized site performance through plugin management.

IoT-Based Smart Garbage Alert System – Arduino, C/C++

- Created a real-time waste monitoring system using Arduino.

- Used memory management techniques for efficient system performance.
- Delivered timely alerts to reduce manual intervention.

EDUCATION

- Bachelor of Engineering in Computer Science Engineering – Visvesvaraya Technological University (2019 – 2023), CGPA: 7.03
- Visvesvaraya Technological University
- Pursuing MBA (Masters of Business Administration) (2024-2026)

Certifications:

- Data Science Course – Edyoda Digital University
- Introduction to Data Analytics – Simplilearn

ACHIEVEMENTS

- Awarded Excellent Intern of Contriver (2022)
- Software trainee in front-end development: HTML, CSS, JavaScript, WordPress

SOFT SKILLS

- Presentation | Communication | Team Collaboration | Planning

LANGUAGES

- English | Hindi | Kannada
