"To work in a firm with a professional work driven environment where I can utilize and apply my knowledge."

➤ Professional Experience

Ai Data Annotator

Aishva Financial Services Ltd., Hyderabad (Client: Centific Global Solutions)

Nov 2023 – sep 2024

- Responsible for tagging and annotating data, including images, text, and videos, to enhance the performance of AI models.
- Ensure high accuracy in annotation tasks to improve the quality of the AI models deployed for various applications.
- Conduct regular quality checks on data annotations and review outputs to meet client requirements.
- Provide feedback and suggestions to improve annotation tools and processes for increased efficiency.

Layout Artist

HULA Infotainment Studios Pvt Ltd., Hyderabad

Mar 2022 – Jan 2023

- Worked on creating and refining 3D environments in Autodesk Maya, ensuring correct camera angles, lighting setups, and character placements for animation scenes.
- Collaborated with the animation team to resolve issues, ensuring smooth transitions and finalizing shots for production.
- Conducted quality checks on layouts to identify and correct errors before passing the files to the lighting and rendering teams.
- Supported the production pipeline by troubleshooting layout problems and ensuring timely delivery of finalized files.
- Worked in close coordination with animators and lighting artists to maintain consistent quality across all assigned projects

3D Animation Trainee

DQ Entertainment International, Hyderabad

Sep 2019 – Sep 2020

- Gained comprehensive knowledge in animation production pipelines, including layout, modelling, texturing, and lighting.
- Worked with senior artists on various animated series, developing a solid understanding of the technical and creative processes in 3D animation.
- Assisted in creating detailed 3D models and environments, adhering to the production design and artistic vision.
