

RIYASANTOSH

8331897430 / riya.santosh06@gmail.com / Telangana, Hyderabad

Motivated Computer Science Engineering graduate looking to join the workforce to gain real-world experience. Ability to complete tasks on time and proficient in multiple programming languages including C++, Python with the ability to apply OOPs principles to develop efficient code. Seeking to utilize communication, interpersonal skills to complete tasks. Passionate in emerging technologies and a dedication to continuous skill development.

EDUCATION

Joginpally BR Engineering College	2020 -2024
Computer Science and Engineering	
7.8	
Sri Gayatri Junior College	2020
MPC	
96%	
St. Ann's Girls High School	2018
SSC	
9.5	

SKILLS

• C	PL/SQL
• C++	OCI
• Python	SQL
• HTML, CSS	Git, Github
• Bootstrap	
• MS Excel	

EXPERIENCE

Associate Software Engineer | PL/SQL Support

Accenture

Oct 2024 – Aug 2025

- Wrote and ran basic PL/SQL queries and scripts.
 - Helped fix small issues in database procedures and functions.
 - Supported data checking and report generation using SQL.
 - Monitored scheduled jobs and reported errors.
 - Documented common issues and solutions for future use.
-

PROJECTS

- **Diet Recommendation System**

Used Python-based Machine Learning models to analyze unique characteristics, preferences, and health goals to curate tailor-made diet plans and exercise routines. Integrated OpenAI API in the recommendation system to provide real-time responses, generating dynamic and intelligent recommendations for dietary and fitness.

- **Child Health Care Tracking System Using Machine Learning**

Developed an innovative system leveraging machine learning algorithms to track and monitor child health indicators. Utilized data analysis techniques to identify patterns and trends in health data, facilitating early detection of potential health issues.

CERTIFICATIONS

- AWS Cloud Virtual Internship, AWS Academy, May-July 2023.
- IBM SkillsBuild and IBM Cloud Virtual Internship, February-March 2024.
- Getting Started with Enterprise-grade AI, IBM, March 2024.

SOFT SKILLS

- Problem Solving and Critical Thinking.
- Communication and Presentation Skills.
- Teamwork and Collaboration.
- Analytical Thinking and Creativity.
