I transform complex datasets into actionable insights, driving growth with SQL, Python, R, Tableau, and JIRA. Proficient in Agile and Scrum, I develop BRD and FRD documents, ensuring effective project management. With strong problem-solving skills and attention to detail, I turn raw data into strategic assets, identifying trends and patterns that fuel business success and innovation.

WORK EXPERIENCE

Assistant Professor

TulsiRam Gaikwad-Patil College of Engineering and Technology, Nagpur

11/2022 - 05/2023
