To: Chetan Kapre <chetankapre@gmail.com>

Hi Chetan Kapre,

Greetings from NAVA Software!

It was great talking to you today.

As we discussed the opportunity for **Business Analyst with Our client TechM.****NAVA Software Solutions (Ranchill Software Solutions)-**

NAVA is a leading Technology and Service Delivery provider company headquartered in Connecticut, with operations in India, and Mexico. We constantly partner to collaborate and share technology, resources, and expertise to develop and launch new products, services, or technologies that complement your products and give end users across multiple industries a seamless experience.

Kindly go through the attached JD for more information.

Best Regards

Mounika Cherla
