Dear Sir,

Thank you for considering my profile for the Business Analyst position at Apollo Hospitals. I am writing to confirm my acceptance of the interview invitation and I am looking forward to the opportunity to discuss how my experience and skills align with the role.

I hope that the opening position aligns well with my background, particularly in requirement gathering, documentation (BRD/FRD), stakeholder collaboration, and data analysis. I am especially enthusiastic about contributing to the enhancement of healthcare systems and workflows at Apollo Hospitals.

Looking forward to our conversation.

Warm regards,
Kumaran.D
