SUMMARY

Detail-oriented Operations Executive with proven expertise in coordinating logistics, venue setup, and staffing for high-impact youth campaigns and college activations. Skilled in managing vendor relationships, optimizing resource allocation, and resolving on-ground issues in real time. Experienced in performance tracking, procurement support, and ensuring alignment across cross-functional teams. Seeking to contribute operational excellence and execution strength to fast-paced, impact-driven environments.

EXPERIENCE

Operations intern

Global kartel (Genjee Technologies Pvt Ltd)

March 2025 - Aug 2025, Pune

- Coordinated logistics, venue setup, and staffing for 10+ youth-focused campaigns including college activations and branded events, ensuring seamless on-ground execution and adherence to brand guidelines.
- Collaborated with internal teams and external vendors to manage operations timelines, resource allocation, and real-time issue resolution during live events.
- Supported vendor onboarding and documentation, enabling faster procurement cycles and smoother execution of campaign deliverables.
- Monitored campaign performance metrics in real-time and shared insights to enhance operational efficiency and future campaign planning.
- Maintained continuous communication with cross-functional teams to track tasks, align deliverables, and ensure timely closure of campaign-related activities.
