- **OS** : Windows /Linux

Frontend developer

March 2025 to present

Bosch classic system indian Private limited

EXPERIENCE SUMMARY

- Knowledge in developing **User Interface (UI)** applications and professional web applications. I have explored **HTML5, CSS**, and **JSON**.
- Proficiency in **JavaScript**, and front-end frameworks such as Angular (2to 13) is one of my key strengths.
- With a strong background in Angular, I am adept at efficiently developing and testing code through its component-based MVC capability.
- My practical expertise includes **Bootstrap** and Material **CSS** frameworks to deliver high-quality results.
- I have extensive experience in test-driven development and a deep understanding of the Agile Methodology.
- Knowledge in **JIRA** defect tracking and management tool.
- My knowledge encompasses various aspects of **Angular**, including **components, controllers, directives, services, routing**.
- Designing basic components using **JavaScript** and the Angular framework is an area where I have garnered considerable knowledge.
- Learning quickly and delivering effective solutions both independently my core strengths.
- I have in-depth knowledge of developing **single-page applications (SPAs)** using frameworks like Angular.
- I possess basic knowledge of the Document Object Model (DOM) and its functionalities.
- Basic knowledge in using GitHub for source code management and version control.
- Ensuring cross-browser compatibility by thoroughly testing other elements and tags on Internet Explorer, Google Chrome, Firefox, and browsers is something I pay close attention to.
- I am proficient in using IDEs such as Visual Studio Code and Notepad++
- TypeScript is well within my understanding and knowledge base
- Experience in deep understanding of debugging TypeScript using the Chrome Developer Toolbar.

EDUCATION

- Bachelor of Engineering(BE)
- Polytechnic (Diploma)

LANGUAGES

English
Marathi
Hindi

- **Email Id :**
soitkarvaishnavi41@gmail.com
- **Mobile No:** 9518399752
- **Address:** Gadage nagar Yavatmal
445001.
- **Date of Birth:** 17 - 10 - 1999
- **Marital Status:** Unmarried
- **Nationality:** Indian.

PROJECT

Project Name : Fastcart

Project Domain : Ecom Domain

- Requirement analyses, design, coding and testing etc.
- Design the user interface using angular
- Defect Logging and tracking in JIRA.
- Analyze the program to identify the code changes as per the business requirement
- Involved in knowledge sharing activities with team.
- Preparing the technical specification document based on existing system and
- New Design changes.
- Minimizes risk, prepares for risk mitigation, keep the project on track.
- Manages user requirements; provides timely project updates.

DECLARATION

I hereby declare that the above information is true to best of my knowledge and I bear responsibility for the correctness of particulars.

Regards,
