

ANNAM SAI VARUN

IT RECRUITER

+91 9391150978 | Hyderabad | varunannam24@gmail.com | <https://www.linkedin.com/in/annamsaivarun>

SUMMARY

Highly motivated and detail-oriented graduate with a strong interest in IT recruitment and talent acquisition. Passionate about connecting the right talent with the right opportunities and contributing to organizational growth. Possess foundational knowledge of recruitment processes, sourcing strategies, and candidate screening. Quick learner with excellent communication and interpersonal skills, eager to build relationships with candidates and clients. Committed to delivering quality results and thriving in a fast-paced, target-driven environment.

TECHNICAL SKILLS

- Recruitment Basics
- Sourcing & Screening
- Proactive & Learning Attitude
- Familiarity with social media platforms
- MS Excel & MS Office
- Internet Research & Browsing
- Email & Chat Communication
- Typing Speed - 30+ WPM

ACADEMIC PROJECTS

Citrus Leaf Disease Detection using SVM

Jul 2024 - Nov 2024

- Designed and implemented an image processing system to automatically detect and classify citrus leaf diseases using Support Vector Machine (SVM).
- Performed image preprocessing, segmentation (using K-means clustering), and extracted key features like color, texture, and shape using GLCM.
- Developed a simple and effective MATLAB-based GUI for user interaction and result display.
- This project enhanced my skills in troubleshooting logic, software execution, and handling real-time input/output scenarios — relevant to technical support tasks such as system diagnostics and customer assistance.

DA-LUT Based FIR Filter for Wireless Communication

Dec 2024 - Apr 2025

- Designed and implemented an optimized FIR filter using Distributive Arithmetic (DA) and Look-Up Table (LUT) techniques, targeting high-speed, power-efficient wireless communication systems.
- Replaced traditional multiplier-based architectures with a DA-LUT structure, reducing power consumption, latency, and chip area.
- Gained practical experience in VLSI design concepts, digital filter design, and hardware implementation for communication systems.

EDUCATION

Bachelor of technology in ECE

Dec 2021 - May 2025

St Martins Engineering College

Intermediate in MPC

Mar 2019 - Mar 2021

Sri Chaitanya Junior Kalasala

ADDITIONAL INFORMATION

- Languages:** English, Telugu, Hindi.
- Soft Skills:** Problem-Solving, Time management, Patience, Multitasking Ability and Adaptability.
- Hobbies:** Making Crafts, Photography, Video Editing.
- Address:** Flat No: 301, DSR Block, Gayatri Meadows, Gandimaisamma, Hyderabad.
